Overview: The flagship for the brand, Hotel Indigo Los Angeles Downtown is the new urban retreat for guests looking to re-discover LAs' past in the midst of a booming downtown resurgence. With a prime location in the rapidly-growing Downtown Historic Core and a distinctive, design-driven interior which incorporates elements of the city's colorful history, the Hotel Indigo LA Downtown offers a unique launch point to explore one of America's greatest cities.

Our interior design will pay homage to the early 20th century in Los Angeles with playful nods to historic Chinatown, Hollywood's Golden Age, La Fiesta de las Flores (Downtown's precursor to Pasadena's now-famed Rose Parade), and the underground speakeasies of the Prohibition Era.

Location: Located just one block from LA Live which has over 5 million square feet of retail, restaurants, bars, sports and concert venues. Home to the Staples Center, four professional sports teams, location for the Grammy, EMMY and ESPY Awards, LA Live is the preeminent entertainment venue in Los Angeles.

Guest Rooms: The hotel's guest rooms and suites will each be reflective of the surrounding neighborhood with backdrops portraying lively scenes from 20th century Los Angeles. Floor-to-ceiling windows provide our guests with DTLA city views, each room featuring free high-speed Internet access, flat panel televisions, fridge, in-room safes.

Amenities: The hotel will feature an elegant lobby lounge and bar, a penthouse lounge with breathtaking views of the LA Skyline, an outdoor pool with views of LA Live, pool restaurant and bar, cabanas, fitness center, a hotel business center, valet parking and concierge service.

Food & Beverage:

18 Social, the hotel's top floor cocktail lounge, will feature sweeping views of the dazzling city skyline and contemporary décor that mirrors Los Angeles' world-famous nightlife.

Metropole Bar + Kitchen, the hotel's ground floor restaurant offering innovative twists on local classics, will feature a distinctive entrance representing the underground tunnels transported spirits (among other contraband) to the city's unmarked watering holes.

Meeting/Banquet Facilities:

With more than 22,000 sq. ft. of customizable meeting space, 12 meeting rooms, outdoor terraces, pool deck, roof top lounge, modern A/V equipment and complete catering services our hotel is a unique expression of the Hotel Indigo brand. Our Orpheum Ballroom channels the glamorous galas of Hollywood's Golden Age, while our 4th floor event space offers unique outdoor entertainment venues for corporate events with views of downtown and LA Live.
